Play is the Way Focus
It takes great strength to be sensible
We do the right thing because it’s the best thing to do.
One of the biggest challenges we faced today during the games session was the total distraction of a helicopter flying and circling overhead. The sensible thing to do was to watch and wave until it had passed and then proceed playing and learning with our game.
In the Garden
We were very busy in the garden making the best of the cooler weather to relocate some of our plants. The seeds we planted last time are doing well in the green house and we have added cuttings of Lavender to hopefully increase the length of our hedge.

In the Kitchen
This week we made Sushi and Salmon Patties with a side of Avocado Mash. The patties were made with salmon and almond meal.

Breakfast Club
The Victorian Government has teamed up with Foodbank Victoria to deliver healthy, free breakfast food supplies to participating schools. Our Breakfast club will start next term and will run on Wednesday, Thursday and Friday from 8:30am to 8:50am. The students will be able to enjoy a choice of porridge, cereal, baked beans and tinned fruit. So that we can get an idea of how many students will be attending please fill in and return the slip below. To make this work we really need parents, grandparents or interested community to volunteer to go on a roster, it would only be for about 45 minutes.
