

# **Pesto Recipe**

## **Step 1: Collect all ingredients**

200 grams parmesan cheese – broken into little pieces

1 cup of pine nuts

3 cups of olive (maybe more)

3 teaspoons of rock salt (salt)

1 teaspoon of black peppercorns (pepper)

leaves removed from 15-20 branches of basil (leaves only, not the stalk)

## **Step 2: Combine all ingredients to make pesto**

Mix together in a food processor until it resembles a paste.

## **Step 3: Prepare your pasta**

Stir the pesto into strained pasta and serve.

*Buon appetito!*
