Pesto Recipe

Step 1: Collect all ingredients

200 grams parmesan cheese – broken into little pieces
1 cup of pine nuts
3 cups of olive (maybe more)
3 teaspoons of rock salt (salt)
1 teaspoon of black peppercorns (pepper)
leaves removed from 15-20 branches of basil (leaves only, not the stalk)

Step 2: Combine all ingredients to make pesto

Mix together in a food processor until it resembles a paste.

Step 3: Prepare your pasta

Stir the pesto into strained pasta and serve.

Buon apetito!
